

*Dear North Clinic OB Patient:*

*Thank you for allowing the North Clinic OB/GYN Department to follow you during this special time in your life. We are proud of our tradition of caring and hope to continue our involvement with you and your family beyond the birth of your baby.*

*You will soon be making another important decision, the selection of a doctor for your newborn. North Clinic's Family Medicine physicians and physician assistants are highly experienced in the care of infants and children and would be happy to care for your baby as well as your entire family. They are dedicated to providing personalized, high quality healthcare for all ages. As you make this important decision, we would like you to consider North Clinic's Family Medicine Department for your infant and your entire family.*

*When you visit our clinic for your obstetric appointments, you will have a chance to observe the interaction of our healthcare providers and staff with children and parents. You will see a team of friendly, committed professionals focused on the patients and families they service. In the tradition of North Clinic, our Family Medicine providers will not only provide for you and your family's healthcare needs but will also be supportive and help you make many important decisions such as*

- ☞ Breastfeeding*
- ☞ Circumcision*
- ☞ Immunizations*
- ☞ Safety precautions*
- ☞ Daycare*
- ☞ Working mothers issues*
- ☞ Growth and development*
- ☞ And many other concerns you may have*

*We encourage you to carefully consider one of North Clinic's Family Medicine providers for the newest member of your family, your baby. Please see the reverse side of this letter for names of providers, office locations, hours and appointment phone numbers.*

*Sincerely,*

*North Clinic Family Medicine Department*
